Re: Central Schedule Committee Election

Willingness to Serve

Dear Mr. Heisey,

Please accept this as my willingness to serve for a second term as Member of the Central Schedule Committee.

I have been a member of the Central Schedule Committee since 2013 for one term of two years and wish to continue my service to AFA and to my fellow flying partners.

I was hired in 1989 as a USAir Flight Attendant and began my AFA membership at that point. After being furloughed I was hired at United Airlines in 1990. Being a proud AFA member, I participated in the AFA Campaign for Local 8 during the representation election. Since February 2012 I have been serving on the Chicago, Council 8, Local Schedule Committee as well.

If re-elected to the Central Schedule Committee I will continue my dedication to the committee, AFA and my fellow flying partners with pride.

Thank You for your time and consideration.

Sincerely,

Amy Camp
