JFK Council 5 – New York

April 9, 2015

Ladies and Gentlemen of the United Master Executive Council:

I offer my willingness to serve as Second Alternate to the System Board of Adjustment and seek your support of my candidacy.

As a Flight Attendant activist and reformer I have committed myself, both personally and professionally, to these goals by defending, strengthening and improving our community of Flight Attendants.

My passion has guided my efforts as an Employee Assistance/Professional Standards Representative, Local Council Officer and President of the United Master Executive Council. My experience uniquely qualifies me as a steadfast Flight Attendant advocate.

Passion, purpose and persistence will continue to guide our collective efforts and I welcome this opportunity to defend and enforce the Contract under which we all work with a focus on achieving our goals today and in the future.

I look forward to talking with you about my candidacy and answering any questions you may have.

Sincerely,

*Greg Davidowitch*
