## CANDIDATE FOR UAL AFA SYSTEM BOARD OF ADJUSTMENT 1<sup>ST</sup>, 2<sup>ND</sup>, OR 3<sup>RD</sup> ALTERNATE

**Ladies and Gentlemen of the UAL AFA-CWA Master Executive Council:**

**Please consider this my Willingness to Serve as 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> Alternate to the UAL AFA System Board of Adjustment. I am extremely motivated to be reelected as an Alternate to the System Board to safeguard the architecture and foundation of our Collective Bargaining Agreement.**

**I have been elected as an Alternate for two prior terms as well as having been elected or appointed to many other positions since I began my AFA volunteerism in 1991 including Local Council President at Council 9-DEN, and Grievance Chairperson in Council 9-DEN, Council 21-DCA and Council 11-SFO. I have achieved a strong, working knowledge of our Contract, Grievance and Negotiation Process and am proud of the accomplishments I have realized while defending and protecting our member's rights.**

**Using my 24 years of experience and dedication to our Union and its members as the foundation for success, I ask for your consideration and trust to support me for this important position.**

**I am available to discuss any questions you may have regarding my candidacy, either by telephone or email as I will be unable to attend the upcoming MEC meeting due to a flight scheduling conflict.**

**In Solidarity,**
