segments that depart and arrive within the United States (including Alaska, Hawaii, Puerto Rico). For flights to/from FRA, HKG, LHR, and NRT and other Flight Attendant domiciles, a Flight Attendant may drop the last segment of an ID to another Flight Attendant by calling Crew Scheduling (SK) no earlier than one (1) calendar day and no later than six (6) hours prior to the scheduled departure of the segment to be traded.

- f. (1) The value of the ID for the Flight Attendant trading out shall be reduced by the scheduled flight time of the segment traded.
- (2) The replacement Flight Attendant's line of flying shall be credited with the greater of the scheduled or actual flight time for the segment.
- (3) A Jetway Trade, in and of itself, shall not generate a rig for either Flight Attendant.
- g. (1) In the event the original Flight Attendant is reassigned or drafted before the replacement Flight Attendant has confirmed with Crew Scheduling, the Jetway Trade shall be considered void.

If there is no agreement, the original Flight Attendant will fly the balance of the ID. If the replacement Flight Attendant does not check in, the original Flight Attendant shall be required to complete the assignment.

In addition the drafting and/or reassignment shall follow the minimum duty rig or trip rig provisions of Section 8.A. and 8.B. of the Contract.

c. Flight Attendants awarded open IDs scheduled to depart less than forty-eight (48) hours from time of assignment will be advised via the Company's automated communication system, and the assignment will also be confirmed with the Flight Attendant. If that assignment has not been confirmed eight (8) hours before departure, the ID will be assigned to another Flight Attendant.

Re: Protection Against Involuntary Furlough

Dear Greg:

This letter will confirm our agreement that for the duration of the 2012 - 2016 Flight Attendant Agreement ("Agreement"), subsidiary United shall not involuntarily furlough any Flight Attendant who is on the s-UA Flight Attendant System Seniority List on the effective date of this Agreement as a direct consequence of modifications to the 2005-2010 Flight Attendant Agreement.

The parties acknowledge that the current s-UA system is over-staffed by 2,100 Flight Attendants, which is not attributable, in whole or in part, to modifications to the 2005-2010 Flight Attendant Agreement, because currently there are United Flight Attendants on voluntary furlough. Prior to any involuntary furlough, the Company will offer voluntary furloughs in accordance with Section 21.A. of the Agreement.

Very truly yours,

Rosemont, IL 60018

Dear Mr. Davidowitch:

In the discussions leading to the 2012 – 2016 Agreement, the Company and the Association agreed to address foreign currency exchange rates for International Domicile Flight Attendant compensation in the manner addressed below:

The parties agreed that, whenever necessary, the following floor exchange rates will be utilized for Flight Attendant compensation purposes:

<u>Domicile</u>	<u>To \$1 US</u>
LHRSW	.56 Pound Sterling
FRASW	.79762 Euro
HKGSW	7.25 Hong Kong Dollars
NRTSW	101.0 Japanese Yen

The purpose of these floor exchange rates is to insure a minimum compensation level for Flight Attendants based at the International domiciles. If on the day payroll is calculated the actual exchange rate for any of the listed locations exceeds the floor rate, the higher rate will be utilized. On a semi-annual basis, the Company and the Association will review the use of these floor exchange rates for the prior year, to determine whether an adjustment is necessary. The Company will provide the Association with a monthly recap by domicile of the actual exchange rates used for each pay period.

If substantial fluctuation in any of the above listed currencies occurs as a result of political or governmental changes, the parties will immediately meet to discuss whether an adjustment is appropriate. The Union's recommendations will be considered in any final decision.

Sincerely,

/s/ John D. Nelson

Early Out Letter of Agreement

**LETTER OF AGREEMENT
BETWEEN
UNITED AIR LINES, INC
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF
UNITED AIR LINES, INC.
AS REPRESENTED BY
THE ASSOCIATION OF FLIGHT ATTENDANTS – CWA**

THIS LETTER OF AGREEMENT is made and entered into in accordance with the Railway Labor Act by and between UNITED AIR LINES, INC. (hereinafter referred to as “s-UA” or the “Company”) and the ASSOCIATION OF FLIGHT ATTENDANTS – CWA, AFL-CIO (hereinafter referred to as “AFA” or the “Union”).)

S-UA shall offer eligible Flight Attendants a one-time opportunity to separate voluntarily from the Company with a severance payment and retiree pass travel benefits (hereinafter referred to as the “Early Out Program” or “Early Out Package(s)”) as set forth below:

1. Eligibility: Flight Attendants who satisfy the following conditions: a) are on active s-UA payroll, including voluntary furlough, or on approved leaves of absences, at the time of their bids, b) as of August 31, 2012, will have at least 15 years of service to the Company as a Flight Attendant, and c) have not applied for or been awarded a cross-over or redeployment transfer to the Continental subsidiary. The Company in its sole discretion shall determine the number of Early Out Packages to award. If there are more eligible bidders than Early Out Packages to award, Early Out Packages shall be awarded to the senior eligible bidders, based on system seniority.
2. Severance Payment: Within 30 days of their separation of employment, Flight Attendants awarded Early Out Packages shall be paid a lump sum severance payment of twenty-four hundred dollars (\$2,400) per full year of service to the Company as a Flight Attendant, up to a maximum of sixty thousand dollars (\$60,000). All payments will be subject to applicable taxation and withholding.
3. Pass Travel: A Flight Attendant who is awarded an Early Out Package and who, on the date of her/his separation from employment, is eligible to retire with retiree pleasure travel privileges under the policies in effect at the time for United employees, shall be entitled to such retiree pleasure travel privileges as part of the Early Out package on the same terms and subject to the same conditions, present and future, as retirees.

A Flight Attendant who is awarded an Early Out Package and who, on the date of her/his separation from employment, is not eligible to retire with retiree pleasure travel privileges, shall be entitled to alternative NRSA pleasure travel ("Early Out Passes") at boarding priority BP8C (or its future equivalent), without vacation passes, for a maximum of 15 years. If during this 15 year period the Flight Attendant "ages" into eligibility for retiree pleasure travel privileges under the policies in effect at the time for United employees, her/his Early Out Passes convert to retiree pleasure travel privileges on the same terms and subject to the same conditions, present and future, as retirees. If 15 years expire without the Flight Attendant aging into eligibility for retiree pleasure travel privileges, her/his Early Out Passes cease at the expiration of the 15-year period, and the Flight Attendant is ineligible for retiree pleasure travel privileges.

A Flight Attendant is not eligible for both Early Out Passes and the "20-Year Passes" pursuant to the Resignation -- Special Pass Benefit Letter of Agreement (page 331 of the 2005-2010 sUA/AFA Flight Attendant Agreement).

4. COBRA Subsidy: A Flight Attendant who is awarded an Early Out Package and who is not eligible for retiree medical, shall have the option to elect COBRA continued medical coverage for up to 18 months, with the first three months subsidized at the Flight Attendant's active co-worker rate. The Flight Attendant's cost for the final 15 months shall be the full COBRA rate.
5. Separation from Employment: Flight Attendants awarded Early Out Packages shall terminate their employment with s-UA effective August 31, 2012 (i.e., last day of employment shall be August 30, 2012).
6. Bid Process: Participation in the Early Out Program is voluntary. The Company will establish the details of the bid process, including the bidding deadline and award date, after discussions with the Union.
7. Forfeiture for Conduct: If an eligible Flight Attendant is awarded an Early Out Package, but before August 31, 2012, is charged with conduct that could lead to discharge, the Flight Attendant's Early Out Package shall be held in abeyance pending a hearing pursuant to Section 26.A. of the s-UA/AFA Flight Attendant Agreement, which shall be conducted as soon as practicable. If the outcome of the hearing is anything other than termination of employment, the Flight Attendant retains the Early Out Package. If the outcome of the hearing is termination of employment, the Flight Attendant forfeits the Early Out Package. In a case of termination, if the System Board of Adjustment orders reinstatement, the Flight Attendant shall have the option of taking the Early Out Package in lieu of reinstatement.
8. No Implied Changes to Flight Attendant Agreement: This Letter of Agreement does not modify the s-UA/AFA Flight Attendant Agreement except as specifically provided herein.

IN WITNESS WHEREOF, the parties have signed this Letter of Agreement this _____
of January 2012.

RESERVE PREFERENCING Letter of Agreement

**LETTER OF AGREEMENT
BETWEEN
UNITED AIRLINES, INC.
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF
UNITED AIRLINES, INC.
AS REPRESENTED BY THE ASSOCIATION OF FLIGHT ATTENDANTS, CWA**

THIS LETTER OF AGREEMENT is made and entered into in accordance with the Railway Labor Act by and between UNITED AIRLINES, INC. (hereinafter referred to as the "Company") and the ASSOCIATION OF FLIGHT ATTENDANTS, CWA (hereinafter referred to as the "UNION".)

During the negotiations between the Union and the Company (collectively, the "parties") leading to the Agreement dated 2012-2016 (the "Agreement"), the parties agreed to implement a Call-In Reserve Preferecing Assignment System ("Preferecing System") that will include the following conditions:

All provisions of the Agreement remain in effect unless modified herein.

ORDERING OF FLIGHT ATTENDANTS

Call-In Reserves shall be grouped based on their number of days of availability. Within each group, Call-In Reserves shall be placed in credited flight time accrued (TMAC) order, with first-in-first-out (FIFO) order, then the higher seniority as the tiebreakers if necessary.

ORDERING OF ASSIGNMENTS

Assignments in Open Flying shall be listed in order, based on check-in time, starting with the earliest check-in. If two assignments have the same check-in time, the assignment with the highest credited flight time shall be listed first.

FLIGHT ATTENDANT ACTIONS

Reserve preference requests shall be on file no later than 1500 hours for the following day's assignment process.

A Reserve shall have the ability to place up to ten (10) requests on file in priority order.

Each request may preference a specific ID, or an assignment having up to six (6) criteria.

The menu of preferences shall include at a minimum the following criteria:

- a. Co-terminal;
- b. ID length;
- c. International/Domestic;
- d. Layover city;
- e. Earliest Check-In;
- f. Latest Arrival;
- g. Purser/Non-Purser position;
- h. Language;
- i. Equipment; (if any one segment of the ID contains a preferred equipment choice, the preference will be considered a match)
- j. Standby (based on days required);
- k. Position.

PREFERENCING MATCH

An assignment shall be considered a match when all the criteria listed within a request by a Reserve are satisfied.

COMPANY ACTIONS

No earlier than one (1) hour prior to the start of the Reserve Preferencing window, the list of assignments in Open Flying will be captured and considered frozen.

RESERVE PREFERENCING ASSIGNMENT PROCESS

PHASE I

The following shall apply for Reserve Preferencing unless as provided in the rules below.

Reserves within each group of days of availability ("day classification") shall be considered for open assignments matching the corresponding number of days of

availability. A Reserve who has submitted a preference request(s) shall be assigned in time accrued order to the first open assignment that matches a request.

If two or more Call-Ins in the same day classification indicate the same preference, the assignment will be made to the Call-In with the least time accrued. If they have the same time accrued, the assignment will be made to the most senior Call-In with the preference.

The Reserve preferencing solution shall make all the assignments that could be matched, and assign the remaining Reserves within each group of days of availability in order to the first legal open assignments.

If the Company makes assignments to Call-Ins outside of day classification, Call-In preferences for ID length outside of day classification will be considered. If Call-In preferences are being considered outside day classification, a preference may not be honored if there is a Call-In available whose days of availability more closely match the assignment.

All Call-Ins, regardless of whether or not they have a preference on file, are eligible for an assignment.

PHASE II

Reserves who have not received an assignment during the preferencing process shall be assigned in accordance with the Reserve Assignment process delineated in Section 10.C.

RESERVE PREFERENCING RULES FOR PHASE I

MORE ASSIGNMENTS THAN FLIGHT ATTENDANTS

When the number of open assignments is greater than the number of Reserves, the Company shall designate those assignments that shall be left uncovered.

QUALIFIED FLIGHT ATTENDANTS

If there is no purser qualified Flight Attendant assigned to the base or equivalent ID, the open Qualified Purser Position shall be filled utilizing preferencing among those qualified.

A Purser qualified position may be assigned to a non purser qualified Flight Attendant only when there are no purser qualified Reserve legal and available. The open qualified purser position shall be filled in accordance with Section 9.F.7.

Language Qualified Positions shall be filled utilizing preferencing among those qualified.

FLIGHT ATTENDANTS IN MOTION

The Company may deny a preferencing request for an assignment if its check-in time is within one (1) hour of the conclusion of the legal rest associated with the Reserve's projected arrival of her/his current ID.

PREFERENCES NOT HONORED

A Flight Attendant may receive an assignment out of time accrued order if she/he is the only Flight Attendant legal, qualified, and available for that assignment.

A Flight Attendant may receive an assignment out of time accrued order if this is the only assignment for which she/he is legal, qualified and available.

A preference may not be honored if it would result in decreasing the number of assignments, or result in earlier departures being uncovered, measured against what could otherwise be covered during the Call-In assignment process in Section 10.C.

The Company may deviate from the above procedures based on Section 10.C.13.

SYSTEM FAILURE/ MAJOR DISRUPTION

In the event of a system failure or a major disruption to the integrity of the operation, the Company shall be allowed to process Reserve assignments in accordance with Section 10.C. of the Agreement.

DEVELOPMENT AND IMPLEMENTATION

A joint AFA and Company development and implementation committee shall be established comprised of at least one member of each party's negotiating committee. The Committee shall meet and work collaboratively with the Company's reserve preferencing design team as needed during the development and implementation process.

The agreement to develop and test the Call-In Reserve preferencing system is a high priority for the parties, with the understanding that it will be developed and implemented as soon as practicable, which is targeted to be within 12 months after the effective date of this Letter of Agreement.

Prior to the implementation at the first Domicile, in order to ensure the accuracy of the programming, parallel testing shall be completed.

The Committee shall mutually develop educational materials to enable Flight Attendants to understand and effectively use the preferencing system before implementation at any Domicile.

The parties recognize the Reserve Preferencing System will require the development of new automation and that this Letter of Agreement is not intended to cover every aspect of the automation and programming. In the event that programming cannot be accomplished to meet the above requirements, the Company and Union will meet to determine if there are any viable automated alternatives available. If an alternate solution is not agreed upon, this Letter of Agreement shall be null and void.

The Company agrees that after the Call-In Reserve Preferencing System has been implemented, it will meet with the Union to consider whether it is feasible to apply components of reserve preferencing to Ready Reserves.

RESERVE PREFERENCING ISSUE RESOLUTION COMMITTEE

A Reserve Preferencing Issue Resolution Committee ("Issue Resolution Committee") shall be established to ensure the integrity of the Reserve Preferencing System. For the duration of the [date] Basic Agreement, the Issue Resolution Committee shall be comprised of the same persons who served on the Development and Implementation Committee.

The parties will share information necessary for this system.

The Issue Resolution Committee shall meet each month as needed to review and resolve issues with the Reserve Preferencing System on a system-wide basis. Individual issues shall be submitted to the Issue Resolution Committee for review. The Committee will review an individual issue before it may be advanced to any other dispute resolution process available to Flight Attendants.

In the event there is a major problem with the Reserve Preferencing System, the issue may be escalated immediately to Inflight Division leadership.

READY RESERVE PREFERENCING

Independent of and separate from the Call-In Reserve Preferencing System, Ready Reserves will be permitted to express preferences for:

1. Field Standby;
2. Minimum Flying; or
3. Maximum Flying, which will represent an automatic opt to over 100 hours for the applicable month.

The Company will honor Ready Reserve preferences subject to: 1) the application of all other reserve assignment rules (e.g., within classification, time accrued within preference), and 2) the preferences not creating a time accrued imbalance problem.

In the event of a system failure or a major disruption to the integrity of the operation, the Company shall be allowed to process Ready Reserve assignments in accordance with Section 10.C. of the Agreement.

It is the intent of the parties that this Ready Reserve Preferencing System will be implemented consistent with the dates of the Call-In Reserve Preferencing System.

This letter shall remain in full force and effect concurrent with the Agreement and shall be subject to the provisions pertaining to duration and amendment contained therein.

IN WITNESS WHEREOF, the parties have agreed to this Letter of Agreement this XXth day of _____, 2012.

Re: Roth 401(k)

Dear Greg

LETTER OF AGREEMENT
by and between
UNITED AIR LINES, INC.,
and
the Flight Attendants
in the service of
UNITED AIR LINES, INC.
as represented by the
ASSOCIATION OF FLIGHT ATTENDANTS-CWA.

CROSS OVER HIRING

THIS LETTER OF AGREEMENT, dated January 7, 2012, is made and entered into in accordance with the Railway Labor Act, 45 U.S.C. § 151, et seq. ("RLA") by and between UNITED AIR LINES, INC. ("s-UA"), and the Flight Attendants in the service of s-UA as represented by the ASSOCIATION OF FLIGHT ATTENDANTS-CWA ("AFA").

WHEREAS, the Parties desire to provide for the reasonable and orderly adjustment to staffing resulting from deliveries of aircraft and expansion of flying at CONTINENTAL AIRLINES, INC. ("s-CO"), and for the maximum opportunity for Flight Attendants who wish to work to be able to do so; and

WHEREAS, the Parties recognize that the need for this staffing program will be temporary, lasting only until the operational merger and associated integration of the Flight Attendant workforce are completed; and

WHEREAS, the Parties wish to provide options for Flight Attendants in such circumstances and to mitigate the potential impact resulting from necessary staffing adjustments; and

WHEREAS, the Parties wish to provide these work opportunities in a manner that ensures that Flight Attendant seniority is not impacted for purposes of seniority integration at the combined carrier;

NOW, THEREFORE, the Parties hereby agree as follows:

A. APPLICABILITY

Flight Attendants at s-UA may elect, on a one-time basis, to cross over to s-CO as provided for below. Flight Attendants wishing to do so must make that election in the manner indicated by s-CO and s-UA (collectively, "the Companies"). The Companies shall grant the elections to the most senior Flight Attendants requesting them, provided that no particular number of Flight Attendants will be transferred, and provided further that the total number of cross over transfers pursuant to this Agreement shall not be greater than, in the Companies' sole judgment, they deem advisable to adjust Flight Attendant staffing at the Companies.

B. CROSS OVERMENT TO S-CO

1. All s-UA Flight Attendants will be provided a one-time opportunity to elect to cross over to s-CO pursuant to the terms of this Letter of Agreement in such manner as the Companies may direct. Bidding for cross over to s-CO will open the day after the signing of a new Collective Agreement and will close thirty days later. Cross overs will be awarded the day following bid closure. An s-UA Flight Attendant who bids for and is awarded a cross over will have a one-time opportunity to revoke such bid not later than ten days after the award of the cross over.

2. Cross over to s-CO will be subject to satisfaction of the terms of paragraph A. above, successful completion of any necessary s-CO Flight Attendant training, no pending disqualifying actions that would prevent the Flight Attendant from flying (e.g., unresolved drug test or other FAA matter, unresolved termination action, etc.) and possession of legal qualification to fly to all of s-CO's destinations.

3. This opportunity shall be open to all s-UA Flight Attendants regardless of whether they are currently working or not, provided that they are ready, willing and able to work.

4. Participation in cross over is completely voluntary. Flight Attendants electing not to participate shall retain all of their current employment rights and entitlements at s-UA without prejudice resulting from such election.

5. Transition to s-CO will be irrevocable if revocation is not exercised within ten days of the cross over award, except if a transitioned Flight Attendant is furloughed involuntarily from s-CO, in which case she/he shall have the right to terminate employment at s-CO and return to s-UA. A Flight Attendant who terminates her/his transition pursuant to this paragraph, will return to s-UA to flying status only if there are no s-UA Flight Attendants on furlough and there are s-UA vacancies. If s-UA Flight Attendants are on furlough the returning Flight Attendant will return to s-UA to either voluntary or involuntary furlough status depending on what her/his s-UA seniority holds. If there are no s-UA Flight Attendants on furlough but there are no s-UA vacancies, the returning Flight Attendant will be placed on Section 23.B. Special Leave of Absence, except with medical and dental benefits and pass travel privileges for the duration of the Special Leave of Absence on the same terms and conditions as an active Flight Attendant. Any Flight Attendant who has elected to cross over to s-CO, has been awarded a position at s-CO, and who subsequently fails to report shall be treated as a s-CO Flight Attendant who fails to report for duty in the circumstances.

6. Except as otherwise expressly provided in this Letter of Agreement, the employment of Flight Attendants on or after the date of their report for s-CO training will in all respects be governed by the terms and conditions of the s-CO/AFA Collective Bargaining Agreement ("CO/AFA CBA").

7. Subject to Federal Aviation Administration ("FAA") approval, s-CO training shall be transition training as determined by s-CO, conducted in accordance with its normal practice for such training. Vacancies will be staffed as they become available in bid seniority order as described in paragraph C below.

C. SENIORITY

1. Effective thirty-two days after date of signing of the new Collective Agreement, the s-UA Flight Attendants on the cross over list will be put on s-CO payroll in the same relative seniority as they appear on the s-UA system seniority list.
2. S-CO vacancies are anticipated in Newark and Houston. Cross over Flight Attendants will be able to preference Newark or Houston, and those preferences will be honored in bid seniority order unless and until all vacancies are filled at a base. Cross over Flight Attendants who are not assigned to their preferred base will have an immediate right to place a transfer request on file.
3. Cross over Flight Attendants will use their retained s-UA service credit for purposes of s-CO benefit programs eligibility and accrual rates (including pass travel and jumpseating), except that they will not receive Credited Service under the s-CO Retirement Plan ("CARP" or "Plan") for prior service periods. Cross over Flight Attendants will, however, receive credit for prior s-UA service for purposes of CARP vesting service. (Credited Service under CARP shall begin to accrue on the first date s-CO wages are due, and shall thereafter be subject to the terms of that Plan.)
4. Cross over Flight Attendants will remain on the seniority list at s-UA, and will retain and accrue such seniority while employed at s-CO, it being the Parties' intent that this Agreement shall have absolutely no impact or effect, positive or negative, on the eventual integration of Flight Attendant seniority lists in connection with the merger.
5. Seniority and related matters following completion of all of the events described in paragraph E will be determined solely and entirely by the processes described therein, it being the Parties' intent that this Agreement provide work for current s-UA Flight Attendants but not impact or affect those processes either positively or negatively for any Flight Attendant.

D. TERMS AND CONDITIONS

1. There will be no probationary period at CO.
2. Work records for transitioning Flight Attendants will be transferred to s-CO and will thereafter be treated as s-CO work records.
3. Cross over Flight Attendants shall use their retained s-UA service credit for purposes of pay and benefit accrual rates. For example, a cross over Flight Attendant entitled to receive pay at the seventh (7th) year rate in 2012 will be paid \$36.06/hr and receive fourteen (14) days of vacation without FLEX, while a Flight Attendant in her/his eleventh (11th) year will be paid \$42.71/hr and receive twenty-one (21) days of vacation unless she/he exercises the FLEX option. Existing sick leave and accrued but unused vacation for cross over Flight

Attendants shall be retained for use at s-CO, but prospective use shall be subject to the terms and conditions of the CO/AFA CBA, and all prospective benefit accruals shall be pursuant to the CO/AFA CBA and applied according to its terms, as provided for similarly-situated CO Flight Attendants, except as otherwise expressly provided herein.

4. S-CO training will begin on a date designated by s-CO, unless deferred by mutual agreement of the affected Flight Attendant and s-CO. Flight Attendants will be required to complete training as established and scheduled by s-CO.

5. During s-CO training, Flight Attendants will be paid eighty-three hours (83:00) per month, prorated for any portion of a month, at the s-CO rate of pay determined pursuant to Exhibits below, and shall be provided hotel accommodations and expenses during such training in accordance with s-CO's normal practice.

6. Upon the completion of s-CO training cross over Flight Attendants will receive a new initial s-CO uniform at no cost, and a lump sum cash payment of \$2,500 to help defray some of the expenses that may be expected to be incurred in connection with this program.

7. Cross over Flight Attendants will participate in s-CO health and welfare plans for calendar year 2013, and will participate in the annual elections along with other s-CO co-workers. Current health and welfare elections and participation will continue through the end of 2012 at which time eligibility for s-UA health and welfare benefits will cease.

8. It is the Companies' intention to align and merge the benefit plans available to co-workers at the subsidiary operations, including but not limited to the defined contribution 401(k) retirement plans. Until the plans are merged, cross over Flight Attendants will maintain current 401(k) balances in the s-UA 401(k) plan, while future employee contributions during employment at s-CO will be deposited in the s-CO 401(k) plan. Cross over Flight Attendants will receive employer contributions to the s-CO 401(k) plan in accordance with the CO/AFA CBA.

9. Cross over Flight Attendants will elect either to be paid (calculated using their current pay rate at s-UA) for accrued but unused vacation, or to select from open time 2012 vacation periods.

10. Cross over Flight Attendants shall be entitled to fee-waived positive space travel between their new s-CO base and their prior s-UA base on any Continental operated flight for ninety (90) days following their graduation from s-CO training for themselves and fee-waived space available travel for the members of their immediate family (i.e., spouse and children) for the same period. Flight Attendants and their immediate family members utilizing this entitlement may not declare themselves, and will not be regarded as, must ride travelers.

E. DURATION

This Agreement shall become effective upon ratification signing, and shall terminate and cease to have any further force or effect when the operational merger of s-CO and s-UA has been completed and the following events have occurred: (1) the Parties have successfully negotiated a Joint Collective Bargaining Agreement governing the employment of all Flight Attendants on the merged system and that agreement has been ratified; and (2) a final and binding, merged Flight Attendant seniority list has been determined and implemented.

AGREED, this _____ day of January, 2012.
