

Flight Attendant Voluntary Furlough Award

July 20, 2009

PLEASE POST IMMEDIATELY

To All United Flight Attendants:

The August 31, 2009 voluntary furlough award process is complete. Voluntary furloughs in increments of 10, 20, 22 and 30 months have been awarded to 1,926 eligible flight attendants. The furlough begins Aug. 31, 2009. Furlough award lists can be accessed from the Onboard home page on SkyNet.

The most junior voluntary furlough award has an SW seniority date of 1/21/2008. The most junior flight attendant awarded by duration is as follows:

Duration	Seniority of Most Junior Flight Attendant Awarded this Duration
10 months	4/14/1991
20 months	5/28/2007
22 months	6/25/2007
30 months	1/21/2008

Flight attendants will receive a voluntary furlough confirmation letter at their permanent address, along with detailed instructions for completing the voluntary furlough checkout process. In the meantime, LOAINF (status code NV) and FDWH screens in Unimatic will be updated with furlough status information by end of business on Tuesday, July 21.

As we had insufficient number of eligible bids to cover the active voluntary furloughs, partnership awards will be evaluated on domicile need and cost effectiveness of the partnership program in aggregate. The Partnership bid period closes at 0800 on July 23.

If it is necessary to involuntarily furlough flight attendants, we will make that announcement by July 24.

Thank you to all of our flight attendants who volunteered to take advantage of this furlough.
